

## Conversation between the two sisters who did a martyrdom Operation in Chechnya Killing hundreds of Russian soldiers – Can be seen in the NO SURRENDER VIDEO

The main purpose for this operation carried out by two Chechnyan sisters ( Hawwaa and Luiza) was to influence those who were holding back from the Jihad and to encourage them to fight for Allah's sake.

This can be seen from the conversation held between the sisters and brother Arbi Briyave ( commander).

ARBI BRIUAVE - “ Prepare yourself to meet your mighty Lord and purify your intentions. We hope that those who claim to be men will follow your steps and go for Jihad without hesitation. You will be an example for all those men Inshallah. Pray Salat- Al-Istikhara and ask Allah for forgiveness and be ready to meet him. “

SISTER HAWWAA – “ Inshallah”

### CONVERSATION BETWEEN SISTERS HAWWAA AND LUIZA

Hawwaa : “ Inshallah, we intend to do a great deed which will satisfy the Muslims”

LUIZA : “ We will be in Paradise together after we are martyred, Hawwaa. We will see the martyrs who went before us Inshallah. The martyrdom is a gift from Allah, the Mighty in which only the honoured ones get. There are many people who would like to meet Allah this way. Praise be to Allah for choosing the two of us.”

HAWWAA: “ We will be a great torment to the Russians and they will realise that their wishes will be hard to achieve”

### HAWWAA NOW ADDRESSES HER TALK TO HER BROTHERS AND SISTERS IN ISLAM.

HAWWAA: “ Assalamu Alaikum brothers and sisters, I have a sincere request that you all go for Jihad for the sake of Allah and expel the Kuffar (Russians) from our country as Jihad here is obligatory for every Muslim as the prayer is. A large number of Women are involved in Jihad now, and I hope that all men will go for Jihad

in Jihad now, and I hope that all men will go for Jihad and not take the women's role by staying at home.

This life is a not worth anything – every person will die and leave this life behind. There are many causes of death, if you go for Jihad it does not necessarily mean you are going to die, you will only die at your appointed time. So why do we not choose the best way to die, martyrdom, the highest most eminent way?

We have chosen this way for ourselves and hope you will choose this way too inshallah ...

It is a gift from Allah. Do not let your sins stop you from Jihad, we are all sinners, praise be to Allah, the Lord of the Worlds. Entering Paradise is no easy task, it needs sacrifices. Allah says “ and I created not the Jinn and Mankind except that they should worship me (Alone) “ Quran 51:56

Infact, man thinks he was made only to play and waste time. He was created only to worship Allah and JIHAD is Worship, it is the peak of Islam. Shaytan, the enemy of Islam is always trying to prevent us from carrying out good deeds so do not listen to his whisperings. Without Jihad, which is compulsory, your prayer is of no benefit to you. Staying at home will not prevent death reaching you. So get up for JIHAD and do not die insignificantly.

After a moments pause the sister says:

“ Khalid ibn Al Waleed (ra) of the companions said when he was dying:

“Here I am dying in my bed like a animal dying in his stable (without meaning), may the eyes of cowards never sleep”.

Luiza : “ I request something from my sisters in Islam – do not stay at home, go for Jihad for the sake of Allah. Jihad is now obligatory upon you as is the prayer and it is time for the women to be fighting besides the men.

If this life was worth even a fly's wing, Allah would not give the Kuffar even a sip of water . Who ever after this life is certainly a loser and will never enter Paradise. We must not play and waste our time, we should work hard to please Allah alone. Going to the battlefield with the mujahideen brothers will be support for them and victory will come sooner Inshallah !!!

HAWWAA ( with a little look of sadness on her face) :  
“Our forefather would have killed anyone who tried to tough their women but today Muslim women are getting attacked and raped in front of those who claim to be men – they have no sense of jealousy for their Muslim sisters honour to the extent that they sit and drink tea while listening to this appalling news !! Do you consider yourselves men ? My sister and I have decided to give our lives for the sake of Allah, the all

decided to give our lives for the sake of Allah, the all mighty hoping that you will all go out for Jihad and meet us in the highest Paradise, Inshallah. I ask Allah to give us strong Iman, support and Shahadaa, to follow the Sunnah of our prophet (saw) And to stop our enemies.

Luiza: “ My sincere request to my brothers and sisters everywhere is to fear Allah, be sincere in your deeds and go for Jihad for his sake. I do not consider even my blood brother to be a man if he does not go for Jihad and defend our lands. I hope all the Muslims will meet in Paradise Inshallah.

Hawwaa: I have a final request for my Muslim sisters that they get married to Mujahideen only, because if not your children will not grow to be pious men as they should be.

Both Hawwaa and Luiza are in the truck now - see you in Paradise, Inshallah.

Note: We have tried to translate this to the best of our ability, in some parts of the videotape voice is not clear and therefore it is possible that a mistake as been made.

We ask for forgiveness if we have made a mistake and we ask Allah to forgive our mistakes and to reward us for our good deeds.
